4 P.M.

Mr. DEPUTY SPEAKER.—We will sit in the morning tomorrow from 8-30 A.M. For to-day, may I know how much time the Hon'ble Minister requires ?

Sri K. NAGAPPA ALVA.—I require about 90 minutes.

Mr. DEPUTY SPEAKER.—Will not 45 minutes do ?

Sri K. NAGAPPA ALVA.—It all depends on the suggestions, criticism and attack made by the Hon'ble Member. This is a very big subject. There is Health, there is Medical Department and there are five subjects in all. There are 1,500 institutions. It all depends on the way in which Hon'ble Members participate in the discussion.

Mr. DEPUTY SPEAKER.—Almost, the Minister can have one hour. The discussion will go on till 5-45 P.M. and the Hon'ble Minister can begin his reply after that.

(*The House agreed*).

(1) The Mysore Tenancy Laws (Amendment) Bill, 1964, and
(2) The Mysore Tenants (Temporary Protection from Eviction) (Amendment) Bill, 1964.

Debate continued.

† Sri A. P. APPANNA (Virajpet).—Mr. Speaker, Sir, while lending my support to the Demands before us, I would like to offer certain remarks regarding the working of these two departments. Sir, from the statistics available, we find from the publications that have been made from the Bureau of Health Education, there are institutions, to the extent of 1,500. But I would like to point out to the Hon'ble Minister—how many of these institutions are without doctors ? I must make a special stress to this fact, because there are hospitals in Mysore State without doctors for more than three years. Especially in Coorg District, there are ten hospitals without doctors, ranging from three years to one year. In a place like Coorg, which is in the malnad area and where
